INSTRUCTIONS FOR BUILDING SEWER APPLICATION

1. Read all rules and specifications thoroughly.
2. Fill out the Application and return to the Board of Public Works (Attention of Sewer Superintendent) Box 319, Pepperell, MA 01463 with the fees in the amounts shown below.
3. Plumbing Code applies to interior plumbing and building drain extending 10 feet from inside foundation wall. Changes to interior plumbing and building drain must be approved by the Plumbing Inspector. Approval of the building sewer by the Board of Public Works shall not nullify this requirement.
4. Waivers and appeals are regulated in Article A-II, Section 7 and Section 8 of the "Regulations of Sewer Design, Construction and Use."
5. Contractors must call Dig Safe 72 hrs before work can begin. No trench is to be backfilled until all work has been inspected by the Sewer Superintendent or his authorized agent and no trench will be left open over night. Requests for inspections on new sewer service connections should be made 24 hours prior to the installation.
6. The subsurface sewage disposal system shall be abandoned in accordance with 310 CMR 15.354(Abandonment of systems). A Town of Pepperell "Certification of Abandonment Sewage Disposal System", form shall be completed by the licensed drain layer. Once signed by the drain layer and the Pepperell Board of Health Representative the completed form shall be submitted to the Pepperell BOH for distribution.
