INSTRUCTIONS FOR BIDDERS

PART I. GENERAL

1.01. REQUIREMENTS FOR SUBMITTING BIDS

- A. Bids which are mailed or delivered should be addressed to Mr. Mark Andrews, Pepperell Town Administrator, 1 Main Street, Pepperell, MA 01463.
- B. Bids shall be placed in sealed envelopes that are marked appropriately on the outside with the name and address of the bidder, the title of the bid and the scheduled date for the opening of bids. No responsibility will be attached to the Town staff for the premature opening of bids that is not properly identified. After the terminal time, bids become the property of the Town.
- C. Regardless of the cause of delay, no bids which are received by the Town after the terminal time recorded herein shall be given any consideration. The bidder is responsible for filing the bid before the terminal time.
- D. Telegraphic bids will not be considered. No modification of any bid will be considered unless received by the Town prior to the time established for the opening of bids.
- E. Any bid may be withdrawn on written request dispatched by a bidder in time for delivery in the normal course of business prior to the hour established for the opening of bids.

1.02. BID FORMS

- A. All bids must be presented upon the blank proposal form included in the Contract Documents, shall state the proposed price for the work, both in words and in figures, and shall be signed by the bidder with his business address and place of residence.
- B. **Bidders must not remove the bid pages from the volume of contract documents, but shall submit their bid bound with the complete volume of documents (excluding drawings) including all addenda.**
- C. Signatures:
 - 1. If a bid is submitted by an individual, the full name and post office address of this person shall be designated.
 - 2. If a bid is submitted by a firm or partnership it shall be signed by a person having the legal authority to execute such a document on behalf of the bidder. The person signing the Bid Form shall then indicate his or her title or position in addition to the full name and address of the firm or partnership.

3. If a bid is submitted by a corporation it shall state the name and title of the official or officials of the corporation by whom the contract can be legally signed, and be accompanied by a copy of the corporate vote granting said authority, certified by the clerk of said corporation.

D. The bid price shall represent full compensation for all equipment, materials, services and delivery associated with the work. The bid price or prices shall be written both in numbers and words.

1.03. ACCEPTANCE OR REJECTION OF BIDS

A. The Town of Pepperell, (the "Town") reserves the right to reject any or all bids and to accept any bid in whole or in part which it considers to serve the best interest of the Town or to waive any informality on bids received. The Town of Pepperell also reserves the right to omit any item or items which he deems advisable.

B. Any bid which is not according the prescribed form, not properly signed, or otherwise contrary to instruction may be rejected by the Town. More than one bid from the same bidder whether or not the same or different names appear on the signature page, shall not be considered. Reasonable proof for believing any bidder is interested in more than one bid shall cause the rejection of said bids made by such bidder directly or indirectly. Any or all bids shall be rejected if there is reason for believing that collusion exists among the bidders.

C. A conditional or qualified bid will not be accepted. The Town of Pepperell reserves the right to reject unbalanced bids.

1.04. INFORMAL BIDS

A. The Town of Pepperell may reject as informal, bids which contain erasures not properly initialed, improperly executed, or incomplete bid documents. The Town of Pepperell reserves the right to waive any informality.

1.05. BIDDER RESPONSIBILITIES AND QUALIFICATION

A. Bidders must examine each of the Contract Documents that form the Contract, and become thoroughly familiar with the Contract Documents. The Contract Documents shall in no way relieve any bidder from any obligation in respect to his bid.

B. Should a bidder find discrepancies in and/or omissions from the Contract Documents, or should he/she be in doubt as to their meaning, he/she should at once notify the Town, who shall send a written instruction for clarification to all prospective bidders.

C. The successful bidder shall be responsible to the preparation and filing of any reports required by the local by-laws, contracts, and laws of the Commonwealth and Federal Government.

- D. The bidder has not been cited by any city, town, the Commonwealth of Massachusetts or Federal Agency during the past three (3) years for violations related to occupational safety and/or environmental pollution regulations and/or laws. If a bidder has been cited for any violation, bidder must disclose in bid the nature of the violations which will be used to determine whether the bidder is responsible.
- E. The Town may take such investigations as he deems necessary to determine the ability of the bidder to perform the work. The low bidder will be required to submit five references prior to award of the contract.
- F. The bidders should meet all of the following requirements:
 - (1)They shall not have defaulted on any contract within three years prior to the bid date.
 - (2)They shall maintain a permanent place of business over 2 years.
 - (3)They shall have adequate personnel and equipment to perform the work expeditiously.
 - (4)They shall have suitable financial status to meet obligations incident to the work.
 - (5)They shall not have failed to perform satisfactorily on contracts of similar nature.
 - (6)They shall not have failed to complete previous contracts on time.

1.06. INTERPRETATION AND ADDENDA

- A. No oral interpretation will be made to any bidder as to the meaning of any of the Contract Documents or be effective to modify any of the provisions of the Contract Documents. All questions shall be submitted in writing to the Town Administrator at least seven (7) days before the established date for bid opening. The Town will arrange an addendum, which shall become part of the Contract, to address all questions received as provided above, and his decision regarding each. At least five (5) days prior to the receipt of bids, the Town will send a copy of these addenda to each of those who has obtained a set of the Contract Documents.

1.07. BIDDING ON SPECIFICATIONS

- A. Each bidder shall bid on identical specifications and variations shall not be allowed without the written consent of the Town.

1.08. SUBLETTING OF AWARD

- A. No subletting of the Award, nor assignment of moneys due or to become due, shall be made without written consent of the Town.

1.09. BREACH OF CONTRACT

- A. Where the successful bidder fails to provide the material and services as specified, the Town reserves the right to terminate the contract and enter into other agreements to complete the contract, and the Town shall nevertheless have the right to recover damages for breach of contract by suit on the contract.

1.10. CONTRACT COMMENCEMENT, DURATION AND TIME OF COMPLETION

- A. The date of commencement of work and duration of the project are set forth in the Agreement. Unless otherwise agreed between the Town and the contractor, the work shall begin within ten (10) days after effective date of the Notice to Proceed, and delivery to the Town shall be made within 120 days after contract award, unless otherwise agreed to in writing by the Town.

1.11. TAXES

- A. Each bidder shall submit a certificate of taxes, which is attached to the bid.
- B. The Town is an exempt purchaser under the Sales Act, Chapter 14 of the Acts of 1966; Massachusetts Tax Exempt Number is E-046-001-265.
- C. The bidder shall study all tax laws for the jurisdiction in which the work is done, particularly so-called "Sales and Use Taxes" for which he may be liable as a consumer or user of goods. The bid shall be made in accordance with such laws and shall include such taxes in the bid amount. The bidder shall also obtain, where applicable, sales and use tax exemption.

1.12. HOLD HARMLESS CLAUSE

- A. The successful bidder shall indemnify, hold harmless and defend the Town, its agents, employees, officers and volunteers from and against any and all liabilities, claims, penalties, fines, forfeitures, suits, administrative proceeding and the costs and expenses incident thereto (including costs of defense, settlement and reasonable attorney's fees) which may be alleged against the Town, or which the Town may incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction to property, contamination of or adverse effects on the environment, or any violation or alleged violation of governmental laws, regulations or orders caused by or resulting from the negligent acts or omission by the successful bidders or of any employee or agent of the successful bidder or from the failure or inadequacy of the equipment.

1.13. CERTIFICATE OF NON COLLUSION

- A. Each bidder shall submit a certificate of non-collusion which is attached with the bid.

1.14. EXECUTION OF CONTRACT

- A. The bidder to whom the Contract is awarded will be required to execute the Contract Agreement and, if required, furnish the required Bonds within Five (5) days (Sundays and legal holidays excluded) after receipt of notification that the Contract Agreement is ready for signature.

1.15. INSURANCE CERTIFICATES

- A. The Contractor will not be permitted to start any construction work under this Contract until he has submitted certificates covering all insurance and has obtained approval in writing of these certificates from the Town. The Town of Pepperell will be named additional insured on the certificate.

1.16. BID ITEM BREAKDOWN

- A. At least ten (10) days prior to the preparation of the first estimate for payment, the Contractor shall provide a complete breakdown of the cost of his work for each lump sum bid item. The breakdown shall be prepared in such a manner that it may be used as a basis for estimating the value of the work completed to the end of any month. The extent and basis of the breakdown shall be subject to the approval of the Town.

1.17. WITHDRAWAL OF BIDS

- A. The attention of bidders is directed to the fact that, in submitting his bid, the bidder agrees that he will not withdraw it within sixty (60) days, excluding Saturdays, Sundays and legal holidays, after the actual date of the opening of bids.
- B. Upon proper request and identification, bids may be withdrawn as follows:
 - (1) At any time prior to the designated time for the opening of bids.
 - (2) Provided the bid has not been accepted by the Town of Pepperell, at any time subsequent to the expiration of the period during which the bidder has agreed not to withdraw his bid.
- C. Unless a bid is formally withdrawn, it shall be deemed open for acceptance until the Contract Agreement has been executed by all parties thereto or until the Town of Pepperell manifests that he does not intend to accept the bid. Notice of acceptance of a bid shall not constitute rejection of any other bid.

1.17. BASIS OF AWARD

- A. The Contract will be awarded to the lowest responsible bidder. The Town of Pepperell will require satisfactory proof that the low bidder is responsible and able to prosecute the work successfully in the time named. The Owner's decision on these matters shall be final.

1.18. MANUFACTURER'S EXPERIENCE

- A. Wherever it may be written that an equipment manufacturer must have a specified period of experience with his product, equipment which does not meet the specified experience period can be considered if the equipment supplier or manufacturer is willing to provide a bond or cash

deposit for the duration of the specified time period which will guarantee replacement of that equipment in the event of failure.

1.19. ALTERNATES

- A. Where an alternate item of work is indicated in the Bid, bidders shall submit a price for the alternate. The Town of Pepperell reserves the right to select the alternate if deemed to be in the best interest of the Town.

SPECIFICATIONS - WASTE TRANSFER TRAILER

1.0 INTRODUCTION

The purpose of these specifications is to delineate the requirements for purchase of a waste transfer trailer for the hauling of municipal solid waste. The trailer will be expected to have a capacity of 105-110 cubic yards. The trailer will be a new, currently advertised, production model and will meet all standard features advertised in the manufacturer's current literature.

2.0 DEVIATIONS

Deviations to specifications may be submitted, providing bidder can supply acceptable rationale to support said deviations. Any deviations accepted will be at the sole discretion of the Town. Deviations to specifications must be noted and explained on the bid form attached to these specifications. If applicable, structural claims must be supported by a signed statement from a registered professional engineer.

3.0 CLASSIFICATION AND SCOPE

The trailer will be an aluminum open top, leak resistant, tandem axle semi-trailer with a Keith walking floor that is designed to haul municipal solid waste. The entire trailer including the tailgate and walking floor shall be leak resistant.

3.1 CHASSIS

3.1.1 FRAME

Chassis shall be full frame. The frame is to be 5" 6061-T6 aluminum. Gussets are to be placed between all cross members (4 minimum) and attached to the lower rail side. The cross members are to be aluminum extrusion 6061-T6 that are 5-1/4" height, heavy duty I-beam on 12" minimum spacing. Cross members over the landing gear area are to be on 12" minimum spacing.

3.1.2 AXLES

Axles shall be closed tandem, heavy duty, 25,000 pounds capacity on each axle, with heavy duty springs, commensurate to the weight of the loaded trailer, positioned for the best weight distribution with a minimum of 49 inches rear tandem setting.

3.2 BRAKES

Brakes shall be anti-lock brakes with full air service brakes with largest available outboard mounted drums, self-adjusting slack adjusters. Air brake connectors shall be equipped with "glad hand" type connectors for air brake lines. These connectors shall be mounted in a convenient location on each side of hydraulic lined connectors on front of trailer. Brakes shall meet all current and proposed ICC and DOT rules, regulations, and safety laws.

3.3 WHEELS - TIRES

Wheels to be white powder coated steel wheels and rims to be ten (10) hole disc type and be a hub piloted type. Tires shall be General RA11 R22.5, 16 ply or approved equivalent. Mud flaps shall be anti-sail type with one flap in front of front axle and one flap behind rear axle.

3.4 KINGPIN-LANDING GEAR

3.4.1 Kingpin shall be heat treated, 2-7/8" diameter, and set for proper distribution of G.C.W.R. Kingpin plate shall be a minimum of 3/8" hi-tensile steel with sufficient drain holes, and the assembly to be bolted in for easier maintenance.

3.4.2 Landing gear shall be JOST A451 No-Lube or equal with road side crank, sand shoes included, 220,000 pound static capacity, 62,500 pound lift capacity with a minimum of ten (10) years warranty. Steel tubing to be added from the center of the landing gear for both sides, angled up and attached to the lower side rail, and attached to the back side of the landing gear and attached and secured to an aluminum plate in the center of the trailer between the dolly legs.

3.5 ELECTRICAL

All electrical lighting, reflectors and required safety equipment shall meet or exceed the Federal standards. At a minimum, the trailer shall have 3 large/3 small/3 large lights in the tailgate (OOO ooo OOO), 3 side marker lights per side, 1 pair mid-turn lights and 1 pair rear pocket lights. All lights shall be of the LED type with grommets, to be flush mounted or otherwise protected by their location. All wiring shall be protected and serried to prevent chafing. A 7-way female connector for supplying current to trailer lights shall be installed in convenient location on the front of the trailer. The wires to be attached to the connector as marked on the connector itself.

3.6 BODY

3.6.1 Body shall be aluminum type 5454-H34 or stronger with side stiffeners and floor sills. Body shall have a minimum capacity of one hundred five (105) cubic yards.

3.6.2 Body dimensions shall be a minimum of: overall length of not more than 45 feet, maximum overall width of 102", maximum inside width of 93 1/2", overall height not to exceed 160", maximum inside height of 100". Coupler height shall be 49", kingpin setting 36".

3.6.3 Sidewalls shall be minimum .025" thick -5454-H34 hollow panel aluminum extrusion and construction shall be full seam welding to top and bottom rail. Vertical side posts shall be extruded into sidewalls on minimum 3 1/2" centerlines, with a minimum of 19 fully welded upright posts on total length of trailer.

3.6.4 Top rail shall be extruded 6061-T6 continuous one piece. Cannot be welded to attain proper length. Top rail dimensions shall be minimum 6"x 9" x 3/4" top and 1/2" sides, 6061-T6.

3.6.5 Bulkhead shall be minimum .250" thick 5454-H34 with vertical braces and wraparound design.

3.6.6 Center bar (adjustable spring tube) and rear bar (solid steel) cross members shall be 2"x 4" x 3/8" tubing bolted to top rail.

3.6.7 Tailgate to be mechanical side latch type, curbside side swing, minimum 0.165" hollow panel aluminum extrusion and construction shall be full seam welding. The outer gate shall have a minimum of four (4) heavy duty aluminum hinges, minimum 5" tall, with stainless steel pins. Hinges and latches shall have zerck grease fittings, with one safety winder attached on latch side. Security chain with chain holder to keep gate open during unloading.

3.6.8 Maximum empty weight of trailer shall not exceed 19,000 lbs.

3.7 WALKING/LIVE FLOOR

3.7.1 Hydraulic System: Floor to be equipped with Keith model 2297, 3/4" impact floor with 3" diameter bore cylinders.

3.7.2 Mounting: Hydraulic drive mechanisms must be mounted in a center frame that is attached to the trailer suspension sub-frame, or is a continuation of the suspension sub-frame.

3.7.4 Bearings: Each cross sill shall have continuous Keith Floor high-density polyethylene bearings attached to it.

3.7.5 Cross Drives: Are supported by UHMW (ultra high molecular weight) polyethylene strips on a support rail attached directly to the frame.

3.7.6 Flooring Extrusions: Shall be extruded from 6061-T6 aluminum on 3.65" centers with a side slot to accommodate a poly seal. Floor specification shall be; An Impact medium duty floor slat KMC-2299; Top of each floor slat to be .188" minimum thickness with two 0.375" wide x 0.500" overall thick outside ridges, one 0.907" wide x 0.500" ridge in the center.

3.7.7 Floor Bolts: Each floor extrusion shall be secured to the drive mechanism with (6) minimum 5/16" x 1" Allen type counter sunk bolts, grade 8 with self-locking nuts.

3.7.8 Sub-deck & Slat hold-down: The floor sub-deck tubing shall be 1" x 1" square steel tubing or aluminum channel. A UHMW Slat hold-down block # 4767401 is to be mounted at the discharge end of each floor slat.

3.8 MISCELLANEOUS

3.8.1 Pusher type rear ICC approved mover bumper shall be installed with two (2) tow hooks.

3.8.2 Trailer to have one ladder on rear and one (with catwalk) on front to be oriented to drivers side.

3.8.3 Trailer shall be equipped with two (2) wing nut style hydraulic quick disconnects.

3.8.4 Electrical, hydraulic, and air lines to be color coded or otherwise identified and properly secured.

3.9 TARPING SYSTEM

3.9.1 Frame assembly shall be constructed of 2” by 2” galvanized steel tube.

3.9.2 Tarp shall be vinyl tarp fabric, 18 oz. min., and single manual crank.

3.9.3 Tarp shall be a side roll system, crank located at ground level on curb side and shall close on drivers side.

3.10 WARRANTY

Manufacturer shall provide a one year warranty on all parts and labor concerning manufacturing defects for the trailer, the walking floor, and the tarping system.

3.11 DELIVERY AND PAYMENT The supplier shall deliver the equipment to the Pepperell Highway Division, 45 Lowell Road, Pepperell MA, on or before July 15, 2017, unless otherwise agreed to in writing by all parties. All prices quoted shall include all transportation and set up charges to the Town’s Highway barn. Equipment will be subjected to an acceptance inspection, and payment will be made thirty (30) days following the completion of such inspection. There will be a hold-back from such payment two times the value of the cost of replacing, providing, or repairing any specified deficient item(s). The Town is not subject to state or federal excise tax and may be eligible for additional government purchasing discounts.

3.12 OPERATOR TRAINING Bidder will provide on-site instruction for operation and preventive maintenance procedures for equipment at a date to be scheduled by the Town. Following delivery of equipment, the services of the manufacturer’s factory trained representative shall be provided at the landfill for purposes of this instruction. The manufacturer shall conduct a “hands-on” training program for the Town’s personnel covering operation and preventative maintenance of the equipment. This time shall be in addition to any time required for delivery, inspection, testing, and adjustment of equipment. The Town reserves the right to require the replacement of the manufacturer’s representative who is providing operation and maintenance instruction if the services are found to be inadequate.

3.13 OPERATION AND MAINTENANCE MANUAL Equipment shall be accompanied by all information, instructions and data necessary for the proper and complete care, operation, maintenance and repair of the equipment by the Town’s personnel. The required information, instructions, and data shall be prepared and compiled by the manufacturer of the equipment and shall hereinafter be referred to collectively as “equipment manuals”. Providing complete equipment manuals, as specified herein, for all equipment and accessories furnished by the Bidder/vendor is a part of this procurement and the Bidder/vendor is wholly responsible for obtaining acceptable equipment manuals from the equipment manufacturers and submitting them to the Town. The Bidder/vendor shall supply a minimum of one (1) copy of the equipment manual and one (1) parts manual.

PART I. GENERAL

1.01. SCHEDULE OF BID ITEMS

- A. The following Schedule of Bid Items shall be completed in ink or typewritten. All item prices must be entered in both words and figures and extended by the Bidder. In case there is a discrepancy between the item prices shown in words and figures, the amount shown in words shall govern. In case there is a discrepancy between the total bid price and the correct extension and the sum of the amounts for each bid item, the latter will govern.
- B. Where the Schedule of Items consists of more than one (1) item, the total bid price for the Contract, calculated as above and entered at the end of the schedule, is not a part of the Bid, but is to be used solely for the comparison of bids to determine the apparent low bidder.
- C. Failure to submit a formal Bid in accordance with the requirements of INSTRUCTIONS FOR BIDDERS will be considered sufficient grounds for rejection of the entire Bid Proposal.
- D. Bidders must fill in a price for all items in the bid.

The undersigned declares that the only persons or parties interested in this Bid as principals are as stated; that the Bid is made without any collusion with other persons, firms, or corporations; that all the contract documents have been carefully examined; that the undersigned is fully informed in regard to all conditions pertaining to the Work and the place where it is to be done, and from them the undersigned makes this Bid. These prices shall cover all expenses incurred in performing the Work required under the Contract Documents, of which this Bid Form is a part.

Bids for this Contract are subject to the provisions of M.G.L. Chapter 30B

If a **Notice of Award** accompanied by at least three unsigned copies of the Agreement and all other applicable Contract Documents is delivered to the undersigned within sixty days, excluding Saturdays, Sundays, and legal holidays after the actual date of the opening of the Bids, the undersigned will within five days, excluding Saturdays, Sundays, and legal holidays, after the date of receipt of such notification, execute and return all copies of the Agreement and all other applicable Contract Documents to OWNER. The premiums for all Bonds required shall be paid by CONTRACTOR and shall be included in the Contract Price. The undersigned Bidder further agrees that the Bid Security accompanying this Bid shall become the property of OWNER if the Bidder fails to execute the Agreement as stated above.
