Pat - review Native Plant Guide - completed

Evan - post Native Plant Guide on website when Deb sends final version - completed

Deb - share Tom Mirabile report with Conservation Commission - completed

Deb - contact EddMaps for info on becoming verifiers - in process

All - Review Strategic Plan framework to prepare for discussion on 11/2

All - By the end of the first year of existence, the Committee shall:

1. Provide the Select Board **by February 14, 2022** with a Strategic Plan to
 - assess and document invasive plant issues on public land,
 - develop detection and reporting process for private land owners,
 - create a list of invasive plants in town to compare with the state list (**complete**)
 - recommend appropriate remediation approaches (**complete**)
 - identify associated resource issues and sources for remediation actions,
2. Educate homeowners, businesses, and the agricultural community on the importance of using native plantings. (**In process**)
 - establish a web presence with educational material concerning invasive plants and native plantings for residents. (**complete and ongoing**)
 - Work with local landscapers / garden centers to promote native plantings (plan for winter)
