6/29/2018 - Minutes

1. Second Interviews

The Board had a meeting to have a second interview of the 3 candidates that were called back for a second interview to take a trial run at taking Meeting Minutes. The Chair ran a previous filmed meeting of 5/1/18 and the three candidates took down minutes.

After the trial run of the meeting/minute taking, the Chair and Board members took time to discuss the position with the candidates and tried to give them a bit of an idea as to what the job entails. The Chair then asked for the candidates to leave their minutes with the Board so they could each review and make determinations individually.

The meeting was adjourned at 3:50PM
