Dear Mr. Burton:

As you are likely aware, on September 24, 2018, the Board of Selectmen requested a zoning determination from the Town of Pepperell Building Inspector / Zoning Officer regarding the 161 Nashua Road property and Mass Composting Group, Inc.'s proposed soil reclamation project. A copy of the Board's request is enclosed. Yesterday evening, the Board of Selectmen received the Building Inspector's zoning determination. A copy of the zoning determination is enclosed for your review.

Very truly yours,

John Moak
