Subject: Pepperell MCGI - 161 Nashua Road Reclamation Project (Revised Soil Management Plan)

Mary Jude,

We received the attached revised soil reclamation proposal today from MCGI. Our internal review of the proposal is underway. Regardless of the proposal changes, the Town remains absolutely opposed to having landfill of this nature occurring within our community.

As you may be aware, the Town is engaged in a legal dispute with our own ZBA in Land Court over the project.

On behalf of the Board of Selectmen, I am writing to you to reiterate the Town is completely against this project and will not agree to endorsement of an Administrative Consent Order.

Andrew
