Pepperell, MA 01463

**RE: Soil Reclamation Project, 161 Nashua Road**

Dear Selectboard Members,

Thank you for your letter updating Dunstable with respect to the proposed Soil Reclamation Project.

The Dunstable Selectboard reviewed your update and noted opposition to the project at their June 25, 2019 meeting. The Dunstable Selectboard agrees that the project will have more adverse impacts to public infrastructure and the environment than public benefits.

In particular, Dunstable is concerned about the potential impacts from truck traffic, traffic safety, and wear and tear that could result from increased truck use of the Dunstable road network.

Therefore, the Dunstable Selectboard voted to support Pepperell's opposition to the project. Please feel free to use this letter as evidence of Dunstable's mutual opposition to the project going forward.

If you need further assistance, please free to contact our Town Administrator or Assistant Town Administrator.

Sincerely,

Leah Basbanes, Chair  
Dunstable Selectboard
