Dear Mr. Shea:

At a remote public hearing that was held on April 12, 2021, the Select Board met to consider whether the Town should exercise the statutory first refusal option to purchase property located at 74 Brookline Street and currently taxed as agricultural/horticultural land. The Pepperell Select Board voted unanimously to not exercise or assign the option to purchase the property at 74 Brookline Street, as described in the notice of intent to sell received from Attorney Richard Shea on behalf of property owners Jon and Anne Kaiser, and to notify the landowner of this decision.

Thank you,

Margaret Scarsdale, Clerk
